MEMORANDUM FOR: Comptroller, Directorate of Science and
Technology

SUBJECT : Proposed Agency Program Structure for
FY 70-74 Program Call

REFERENCE : Memo from Comptroller, DDS&T to OCS,
dtd 17 Aug 67, same subject

I have reviewed the Program Call structure as proposed in
the "DDS&T Alternative" attachment to the referenced memorandum,
and I concur in the four elements under Central ADP Services which
encompass OCS activities. The word "support" should be eliminated
from the third listed element to make the wording consistent with
the first two elements.
